

CHECK IT OUT!

Girls' Tech Day 2022

Engage | Connect | Activate

Join AWS and future builders for a half-day of STEAM activities. Engage with women in tech, participate in interactive workshops like coding, forensic investigations, building of Art Bots, and get tips & tricks on how to build your professional brand through mock interviews and resume workshops.

**Hylton Performing Arts Center
Manassas, VA**

**October 1, 2022
9:00 AM Middle School
10:30 AM High School**

[Registration opens on September 1, 2022](#)

Event subject to change or cancellation. Entry to AWS Girls' Tech Day is free of charge and designed for girls and young women, ages 8-24.
