

SPARK's Generous Donors of 2022-23

The following list of businesses and civic organizations were generous enough to support SPARK through gifts of time, talent, in-kind, and cash donations that invested in PWCS schools, students, and programs during the 2022-23 school year. We are so very grateful for every donation. While some names of individuals who donate choose to do so unnamed, their gifts allow our programs to flourish. For that, we thank all of you.
