Excellent Schools Are Everyone's Business

Message from the President, Melissa Boyle, SPARK

On behalf of SPARK, the Education Foundation for Prince William County Public Schools (PWCS), I wish to express our deepest thanks for your sponsorship of the "Tee Off for Education" Golf Classic.

The purpose of this tournament is to raise funds for the SPARK Grants program which supports new programs that improve student achievement and inspire learners to use their knowledge, technology, and creativity to think at higher levels, leading to greater outcomes. Your sponsorship is an investment in strengthening these education programs in PWCS.

Your commitment as a sponsor makes you a partner in education for our community and demonstrates your confidence in SPARK's ability to make a difference in classrooms and the lives of PWCS students and staff. Thank you for your willingness to invest in our schools and our students.

We are happy to have you join us for the 31st year of the "Tee Off for Education" Golf Classic. SPARK looks forward to hosting this tournament for many more years to come.

Sincerely,

A handwritten signature in black ink that reads "Melissa Boyle". The signature is fluid and cursive, with the first name "Melissa" written in a larger, more prominent script than the last name "Boyle".
